AWS Certification Program

We are thrilled to announce the commencement of our AWS Certification Drive, an initiative designed to empower our team members with valuable skills and expertise.

As part of this drive, the company will reimburse the exam costs for AWS certifications, allowing you to enhance your knowledge and contribute to our collective success. Moreover, we have respective Udemy course purchased which will help you in preparation.

Here are the key details:
- Certifications Considered: As of now, we are focusing on Foundational AWS certifications only in this drive.
- Deadline for Certification: You should clear your AWS certification before March 31, 2024, sooner the better.
- Reimbursement: The Company is committed to reimburse the exam costs up to $100 for the first five team members who successfully clears the certification before the Deadline. Reimbursement will be granted on a first-come-first-serve basis.
- Registration: To participate in this exciting opportunity, it is mandatory to register yourself in the AWS Certification Drive.

This initiative aligns with our commitment to continuous learning and professional development. By obtaining AWS certifications, you not only enhance your individual skill set but also contribute to the overall strength and capability of our team.
